Request: *(As Redacted sent by requestor)*

Good morning

I would like to make a request for information under the Freedom of Information Act, relating to Local Offer funding in your local authority.

I have put together the below questions, which you can respond to at either **<REDACTED>** or in writing to **<REDACTED>**.

Q1 - How many placements have you made at special educational needs schools in your local authority under 'Local Offer' funding between September 2014 and the date this request has been submitted?

Q2 - How many requests have you receive to access Local Offer funding since September 2014?

Q3 - How many requests have you received to fund SEND places that have gone to tribunal since September 2014?

Q4 - How much extra funding has been awarded to provide places or additional support for pupils with dyslexia since September 2014 and how many pupils does that equate to?

Q5 - Can you please outline your Local Authority process for handling enquiries for Local Offer funding queries, from the point of receiving a request to payment being made?

Thank you.

Thank you for your query.

Hertfordshire is a two tier area and this service is not provided at a district level but by the County Council.

Therefore, please refer your FOI request to Hertfordshire County Council who will be able to help you.
