

FOI number: **HBC_FOI_2019039**
Date FOI Received: **14/01/2019**
Department: **Parking Services**
Title: **Parking permits**
Description: **How many valid residential permits and cost by electric, hybrid and diesel cars.**

Request: *(As Redacted sent by requestor)*

Please can you tell me how much the council charges for a resident parking permit for -

- an electric car
- a hybrid car
- a diesel car made after 2001
- a diesel car made before 2001

Please can you tell me how many still valid (i.e. the parking permit has not expired) resident parking permits have been handed out for -

- electric cars
- hybrid cars
- diesel cars made after 2001
- diesel cars made before 2001

Response: *(Response as Redacted sent by service)*

For parking permits Hertsmere Borough Council does not apply differential charging for electric, hybrid or diesel cars. All vehicles are charged the same charge dependent on whether it is the 1st, 2nd, 3rd or 4th, where appropriate.

The charges are currently:

1st	£25
2nd	£40
3rd	£70
4th`	£100

The council does not hold data on the vehicle's fuel.

If you have any queries about the processing of your request then please do not hesitate to contact me. Further information explaining the Council's process for responding to information requests together with a complaints/appeals procedure is available in our reception or via our website at:
