Re: Crown Road site
What is the Council's liability for claims for pecuniary damages?

Response: (Response as Redacted sent by service)

The Freedom of Information Act 2000 gives members of the public the right - subject to a number of exemptions - to request and be provided with recorded information held by or on behalf of the Council.

Your request is not a request to be provided with recorded information held by the Council – it is a request for an explanation of the circumstances in which the Council may be liable in pecuniary damages to a third party in respect of development by the Council of modular accommodation on former garage sites in the Borough.

As the Freedom of Information Act 2000 does not give you the right to be provided with an explanation - that is to say that your request is not a valid request under the Act, - the Council declines to communicate further with you on this matter.
