Response: (Response as Redacted sent by service)

1) The information requested is as follows:

Planning app ref	Amount £	No of "dwellings" provided
08/0730	4766.93	70 bed nursing home
16/1035	24046.12	53 assisted living units

2) Hertsmere Borough Council is not the education service provider and therefore the information on funds received/ will be received would have to be retrieved from Hertfordshire County Council.

3) The link to the councils IFS is: <https://www.hertsmere.gov.uk/Documents/09-Planning--Building-Control/Planning-Policy/Infrastructure-Funding-Statement-2019-2020.pdf>

4) The Community Infrastructure Levy (CIL) regulations require all local planning authorities to publish an infrastructure funding statement (IFS) at least annually (link to the first IFS above). The infrastructure funding statement should, as a minimum, include the information set out in Schedule 2 to the Community Infrastructure Levy regulations 2010 (as inserted by the 2019 regulations). Hertsmere has met this requirement. It was recommended that local authorities also publish the raw data that informed the infrastructure funding statement, as stated on the link you have provided. However, this is only suggested guidance and MHCLG only published the guidance documents on this towards the very end of 2020, as there were delays due to the coronavirus pandemic. Hertsmere shall look into publishing the raw data, as set out in the guidance in the future but this has not been possible this year. This future steps the Hertsmere would like to potentially take with the IFS is explained in the 'Next steps section' of Hertsmere's IFS report.
