### CONDITIONS OF ACCEPTANCE FOR ALL ADVERTISEMENTS

Orders are accepted by the Publishers subject to the Standard Conditions agreed between the Newspaper Society and the Institute of Practitioners in Advertising. Save that:

1. Advertisements are accepted on the conditions that (a) descriptions relating to goods are accurate and in no way contravene the provisions of the Trade Descriptions Act 1968, and the Fair Trading Act 1973, and (b) the copy complies with the British Code of Advertising Practice. Advertisements offering credit or hire facilities must conform to the Consumer Credit (Advertisements) Regulations 1980.

2. 'Classified' Advertisers offering goods or service of a business, commercial or Trade nature will, at the discretion of the Publishers, be deemed 'Trade Advertisers', and as such, must include their names in Advertisements. A telephone number is an optional addition to these requirements and not an alternative. To comply with the Business Advertisements (Disclosure) Order 1977, Trade Advertisers must make it clear that they are selling goods in the course of business either by content, format, size or place of the advertisement or by including words such as 'dealer', 'dealer', 'agent', 'wholesaler', 'T' etc. in the advertisement.

3. The Publishers accept no liability whatsoever for any loss or damage however caused arising out of:

- (a) Any error, inaccuracy or omission in the printing or publishing of any advertisement;
- (b) Any failure to publish an advertisement on the day / date or day / dates specified by the advertiser; or

- (c) Any delay in forwarding or omission to forward replies to box numbers to the Advertiser.

4. The Publishers will endeavour to publish advertisements on the day / date or day / dates specified by the Advertiser but insertion days / dates cannot be guaranteed.

5. Where shrinkage of advertisement occurs for whatever reasons the advertisement will be charged to the nearest full centimetre. This will NOT apply to the full-page advertisements, which remain full pages even after shrinkage.

6. The Publishers reserve the right to reject an advertisement or to vary it in any way they deem fit, at any time before publication, whether or not the advertisement has already been accepted for publication.

7. Whilst every effort is made to minimise errors in advertisements, mistakes do sometimes occur. Advertisers or their agents should therefore check their advertisements and inform us of any errors immediately. Responsibility cannot be accepted for more than one incorrect insertion. Typographical or minor changes, which do not affect the value of the advertisement, do not qualify for republication or allowances.

8. All gross advertising rates (except classified lineage and semi-display) are subject to and include a 0.1% Advertising Standards Board of Finance surcharge, payable by the advertisers to help finance the self-regulatory control system administered by the Advertising Standards Authority.

9. All rates quoted are subject to VAT at the rate currently in force at the time the advertisement appears.

10. Should the rate for advertisements be altered the price for remaining insertions shall be revised accordingly or the publishers shall have the right to cancel the unexpired portion of the order.

11. The placing of an advertisement order will be deemed an acceptance of these conditions.
12. Account facilities are granted at the discretion of the Company.

13. All accounts must be settled within the terms agreed by the Company and the Customer.

- (1) Should an advertiser be in breach of the agreed terms, the publisher shall be entitled to levy a 10% surcharge on the value of the whole debt in respect of accounts with terms of less than 30 days, and any discounts or commissions that had been allowed will be reclaimed.

- (2) Regular monthly accounts that are in breach of the agreed terms will pay an interest rate of 8% above the current bank of England base rate for each month that the account is overdue and discounts or commissions that had been allowed will be reclaimed. Should legal action be required the interest will be charged in accordance with the County Court Act 1984.

14. Where an advertiser instructs / appoints an advertising agent to act on their behalf, the advertiser will remain jointly and severally liable for payment in respect for an advertisement(s) should the appointed agent fail to pay. For the avoidance of doubt, the agent acts for the advertiser and not for the publisher with the agent being responsible for notifying the advertiser of this liability.

15. All queries must be notified, preferably in writing to the accounts department of the publisher within 7 days of the invoice date.

16. All digital services are maintained in partnership with the publishers' hosting service providers. Every effort is made to ensure the continuity of these services, but some occasional technical downtime beyond the publishers control may occur. The publisher and its associated companies shall be under no liability if the production and distribution of web services is delayed or prevented by any cause beyond the control of the publisher.

17. The Publisher may provide voucher copies for published advertisements in electronic form only subject to certain criteria. Further information is available on request.

18. The copyright of advertisements produced wholly or partially by the Publishers belong to the Publishers. Advertisers may not reproduce such advertisements without the Publishers' consent.

**Box Numbers**  
Boxes are open for the receipt of bona fide answers and are not available for distribution of trade canvassing matter. Original test-invoicals, goods, cash, cash stamps or payments of any kind must not be enclosed. A box Number and postal address are charged as part of the advertisement, i.e. Box No., centre address. There is no charge for forwarding replies.

Box numbers alone are not available for use in 'Trade' advertisements, other than Employment and Business Opportunities.

**Holiday & Travel Category**  
All advertising must contain the name of the advertiser, phone number alone are not permitted.

**Data Protection**  
The service you have requested may require us to carry out a credit search at a credit-referencing agency, which will record the fact that a search has been made. We may need to share your information with other lenders and credit reference agencies. However, we will only use the information from these searches to make credit-granting decisions and, if necessary, for fraud prevention or tracing debtors.

Data controller will use your information for administration and analysis. We may share your information with other Tindle Group newspaper companies or carefully selected third parties. We, or they, may send you details of other goods and services, which may be of interest to you. The information may be provided by letter, telephone or other reasonable means of communication. Calls may be recorded or monitored for training purposes.

Special conditions apply with regard to the advertising of adult services, which are outlined to all persons submitting such advertisements.

**Watford Borough Council Notice of Submission of Watford's Local Development Framework Core Strategy for Independent Examination**

Watford Borough Council submitted the **Watford Local Development Framework Core Strategy** to the Secretary of State for Communities and Local Government on 28 February 2012, for independent examination. Dates for the examination hearings will be published once known but are currently expected to take place in June 2012.

**What is the Watford Local Development Framework Core Strategy?**

The Core Strategy is an important component of the Watford Borough Council Local Development Framework (LDF). It sets out the long term vision of how Watford, and the places within it, should develop by 2031 and sets out the Council's strategy for achieving that vision. In particular, it identifies the broad locations for delivering housing and other strategic development needs such as employment, retail, leisure, community facilities and other uses. It also sets the context for the other policy documents that make up the Watford LDF. The Core Strategy covers the whole of the Borough of Watford.

**Can I comment on the documents?**

Pre-submission consultation on the Core Strategy took place during May and June 2011. As a result of comments received, changes were proposed which were subject to consultation during November and December 2011. All comments received at both of these stages will be considered by the inspector as part of the examination process, alongside further minor changes proposed by the Council in response. There is therefore no further opportunity to comment at this stage unless specifically invited to do so by the inspector.

**When and where the submitted documents are available for inspection:**

The Core Strategy and a variety of supporting documents are available for inspection at the locations listed below. Due to the volume of paperwork, the supporting documents and evidence base will be available in CD format for viewing on a public access computer - if you need access to a paper copy please contact the Planning Policy Team so that the relevant document can be made available for reference viewing at the Town Hall:
