'Fragmentation and disruption by M1/A41 corridor including pylons and associated built development' (LCA 22)

'The area is generally coherent apart from to the south-west where there is a mix of recreational, industrial and agricultural uses and the noisy M1/A41 corridor contributes to the downgrading' (LCA22)
'The integrity of the area is diluted on approaching the towns that enclose to the east, west and south' (LCA 22)

'Built edges of Bushey... form a stark line in places' (LCA 22)

'Hedges are very important in this landscape, but are in decline in places with gaps developing and infill fencing rather than replanting' (LCA 22)

'M1/M41 corridor creates major impact' (LCA 23)

'Deterioration of many hedges and hedgerow trees' (LCA 23)

'Pasture, with some over-grazing and poor fencing, dominates the side slopes... Increasing impact of horse grazing' (LCA23)
