

Bushey Village – Consultation questionnaire – please return by 25th June 2021

The council is seeking views on parking needs of businesses and service providers in the area, the attached plan shows indicative proposals which could be developed into a suitable parking scheme subject to the feedback from this consultation exercise. We realise not all roads have been included, the boundaries for the proposed parking areas is subject to change.

1. Name and Address

--

2. How many cars are regularly parked in the area by people working for the business during a normal working day? (Please tick)

0	1	2	3	4 or more
---	---	---	---	-----------

3. Has your business got access to off-street parking? (please tick)

Yes (go to Q4)		No (go to Q5)	
----------------	--	---------------	--

4. If yes, how many spaces do you have (please write in below).

--

5. If you answered 'No' to Question 2, please write the nearest residential street where you or the people working for the business currently park during the working day?

--

6. What form of operational controls do you feel would best address parking problems in your road? (Please tick)

All day*		Part day*		Split day*	
----------	--	-----------	--	------------	--

***All day parking controls:** Parking controls by the council generally operate between the hours of 8am to 6.30pm, Monday to Saturday

***Part day parking controls:** Parking controls by the council generally operate for an hour or two, e.g. 11am to 1pm, Monday to Friday

***Split day parking controls:** Parking controls by the council generally operate for different segments of the day, e.g. 8am to 10am & 2pm to 4pm

7. Please use the space below for any other comments.
