Dear Resident

Consultation on Parking – Cotton Road Area

Hertsmere Borough Council has received complaints and concerns about inappropriate and inconsiderate parking in the above area. In response to these concerns we have reviewed the area and propose to introduce waiting restrictions. These restrictions will stop parking close to the junction; improve road safety and traffic flow.

We also aim to increase parking provision and improve road safety in the area by changing the existing restrictions at the junction of Cotton Road with Oakmere Close to Double Yellow Lines as indicated in the attached map.

The purpose of this letter is to inform you and seek your view on the proposals shown on the attached map.

If you would like to comment or have any concerns with the proposal please let me know either by email at the email address on this letter or in writing to the address listed at the top of this letter. Please mark any correspondence for my attention.

I shall be grateful if you could send any comments you have to the above email by the **2nd November 2020**.

Yours sincerely

Tunde Ogunro
Traffic Engineer
