Dear Resident

Following from the consultation that took place in October 2021, the council is proposing to introduce 'no waiting restrictions' (double yellow lines) in some sections of Meadowcroft.

The proposed restriction is aimed to help stop inappropriate parking and improving traffic flow and general road safety. Please see the map at the back of this letter showing the extents of the proposed restrictions.

The council is seeking your views on its proposal as we aim to formally advertise our intent to make a Traffic Regulation Order (TRO) in July 2022.

If you have any comments or concerns with the proposal, please let me know either by email at the email address on this letter or in writing to the address listed at the top of this letter by **24th June 2022**.

If you have any question, please do not hesitate to contact me.

Yours sincerely

Tunde Ogunro
Traffic Engineer
