## **Elstree Way Corridor Area Action Plan**

Erratum to Public Consultation Report

August 2014

**Page 11** – following amendment to text in respect of subdivision of REP161, which is now known as REP161 and REP181, sentence below sub-heading “The main themes of the responses, and the council’s position” now reports that the amount of individual submissions is 151 and the amount of representations is 290;

“151 responses were received to the consultation, which resulted in 290 representations covering seven broad themes, the main ones being;”

**Page 17** – Following final confirmation of the allocation of ‘REP’ numbers, and confirmation as to whether a representation was to be considered as an organisation or individual, the table on page 17 is amended as follows:
