Page 12 Paragraph 4:11 states that the area comprising the Guide Hut and Maxwell Park Community Centre has been RESERVED for a Primary School. Page 26 key to map indicates it has been ALLOCATED for a primary school. Policy WECA further states that Maxwell Park Community Centre will be reprovided for on Shenley Road along with the Library. Not only is this a poor choice of position for a school, due to the lack of access and egress to the site, it will mean that most of the regular weekly activities currently provided for by Maxwell Park Community Centre will be lost. Enquiries have already been made at 96 Shenley Road and we have been told that there is no way they can accommodate all of our groups or provide the required storage and parking for those who could find a time-slot.

(continue on a separate sheet if necessary)

Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested change, as there will not normally be a subsequent opportunity to make further representations based on the original representation at the publication stage.

After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.

7. Please set out what change(s) you consider necessary to make the Area Action Plan legally compliant or sound, having regard to the test you have identified at 5 above where this relates to soundness. You will need to say why this change will make the Area Action Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

The proposal to redevelop the Maxwell Park Community Centre Guide Hut Site, and to provide for its activities at 96 Shenley Road needs to be removed completely from the plan as a site for redevelopment. The plan has already failed to meet its own criteria, which states that all new development has to make provision for, or support, improved and additional community facilities. 96 Shenley Road is already replacing the Village Hall, the Library, the Museum, the Sunday School and Youth Connexions shop. It cannot also absorb Maxwell Park Community Centre and the Guide Hut. The suggestion of the proposed primary school having shared facilities for school/community use is also not feasible as no-one would be allowed on-site during school hours due to child protection requirements.

(continue on a separate sheet if necessary)

8. If your representation is seeking a change, do you consider it necessary to participate at the oral part of the examination?

No, I do not wish to participate at the oral examination

Yes, I wish to participate at the oral examination

9. If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary:

(continue on a separate sheet if necessary)

Please note the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate at the oral part of the examination.

GUIDANCE NOTES

Introduction

These guidance notes have been produced to assist anyone who wishes to make a formal representation on the published Elstree Way Corridor Area Action Plan submission document, which is subject to a period of representations from 17th February 2014 to 31st March 2014. The Area Action Plan is published in order for representations to be made prior to the submission for public examination. The representations will be considered alongside the submitted Area Action Plan, by a independent Planning Inspector.

The Planning and Compulsory Purchase Act 2004¹ (the 2004 Act) states that the purpose of the examination is to consider whether the Area Action Plan complies with legal requirements and is 'sound'. The representations supporting, objecting or commenting more generally should be made within this context.

Soundness

Soundness is explained fully in the National Planning Policy Framework², in paragraph 182. The Inspector has to be satisfied that the Area Action Plan has been positively prepared, is justified, effective and consistent with national policy. To be sound the Area Action Plan should be:

Positively prepared – the plan should be prepared based on a strategy which seeks to meet objectively assessed development and infrastructure requirements, including unmet requirements from neighbouring authorities where it is reasonable to do so and consistent with achieving sustainable development;

Justified – the plan should be the most appropriate strategy, when considered against the reasonable alternatives, based on proportionate evidence;

Effective – the plan should be deliverable over its period and based on effective joint working on cross-boundary strategic priorities; and

Consistent with national policy – the plan should enable the delivery of sustainable development in accordance with the policies in the Framework.

- 1) If you are seeking to make representations on the way in which the Local Planning Authority (LPA) has prepared the published Area Action Plan it is likely that your comments or objections will relate to a matter of legal compliance.
- 2) If it is the actual content on which you wish to comment or object it is likely it will relate to whether the Area Action Plan is justified, effective or consistent with national policy.

Please note that all respondents must complete their personal details as it is not possible for representations to be considered anonymously. Respondents should also note that representations are not confidential and that they will be published on the Council's website and copies will be placed at appropriate venues across the borough for public inspection, although the names and addresses of representations from individuals will be removed.
