

8.2 Where necessary, as a result of this monitoring process, a review of specific sections of the AAP will be undertaken to ensure that the objectives are achieved.

Section	Monitoring indicator	Monitoring Target	Possible actions	Policy
Movement Framework	Implementation of connectivity improvements.	The Council will monitor the progress of the Implementation of connectivity improvements.	If the planned transport and accessibility improvements are not forthcoming, or development is failing to deliver funding the necessary works. The Council will review development viability, and seek grant funding where available.	EWC5 EWC6
Design Strategy	Conformity to ascribed building heights.	Developments are expected to be in general conformity with expected building heights.	Where developments are allowed which exceed the target the Council will assess the impact of heights across the AAP and review design requirements.	EWC7
	Parking Requirements.	Developments to meet parking standards set out in EWC9	Review implementation of policy.	EWC8
Delivery and Implementation	Monitoring of specific contributions to initiatives set out in policy.	100% of developments to provide appropriate level of developer contributions (s106).	Monitoring of the finances requested and collected.	EWC9
