5(c) Effective

We note in paragraph 1.6 of the SADM document that the council is obliged to review its Core Strategy within three years of adoption, ie. by 2016 in order to consider housing (and employment) needs further. This means that this version of the Site Allocations Document can only be an interim document as it will need reviewing alongside the revised Core Strategy (or Local Plan, as it may be referred to); and re-issuing soon after in order to ensure that there are sufficient sites available in sustainable locations to meet the housing needs of the borough over the plan period.

We have submitted details of our site in our letter dated 23 January 2014 via the Council's Strategic Housing Land Availability Assessment (SHLAA). If the Council does not consider that our site should be included in the current version of the SADM document, we would request that consideration is given to its allocation once the Core Strategy (or Local Plan) has been reviewed by 2016.

The site has the benefit of being able to achieve access from Radlett Lane. The land is available without any known constraints, we are the owners of the land and it is available within the next five years. The land in question is approximately 3 acres (approximately 1.21 hectares). As an estimate, and at a density of 30 dwellings per hectare, this would mean that the site could be capable of accommodating around 36 new homes.

Having lived in Shenley for 28 years we consider that there is a need for housing for older people within the village who may wish to downsize to a slightly smaller property (for example), with less maintenance in a modern property built to eco-friendly standards, helping to cut down on fuel bills.

Having said the above, we would be happy to promote our site for housing generally as the site is in a good location, within walking distance of the local shops and GP Surgery at Andrew Close, as well as two schools. There are also bus stops within walking distance of the site.

We also note that in Table 5 of the Core Strategy the Council states that one of the spatial objectives for Shenley is to address local housing affordability. We also note that Policy CS4 (Affordable Housing) of the Core Strategy requires a proportion of affordable housing to be provided on sites on 0.2 hectares or more. We would be happy to comply with this policy requirement so that the site would be capable of delivering a mix of housing tenures (private, shared ownership and/or social rented), as well as a mix of house sizes.

5(d) Consistent with national policy

6. If you consider the Plan is not legally compliant or fails to comply with the Duty to Co-operate or, having regard to the criteria you ticked at 5 above relating to soundness is unsound, please give details of why. Please be as precise as possible.

If you wish to comment in support of the Plan's legal compliance, compliance with the Duty to Co-operate or soundness or wish to make any other comment, please also use this box.

7. Please set out as precisely as possible what changes you consider necessary to make the Plan

- legally compliant or
- sound (having regard to the criteria you ticked at 5 above relating to soundness).

You will need to say why this change will make the Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text.

(continue on a separate sheet/expand box if necessary)

Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested change, as there will not normally be a subsequent opportunity for further submissions based on the representation you are currently making. After this current publication stage, further submissions will only be able to be made at the Inspector's request, based on the matters and issues he/she identifies for Examination.

8. If you do not consider the Plan to be sound and the Council is prepared to make changes to the Plan which reflect your suggested change, would you be prepared to enter into a 'Statement of Common Ground' with this Council?

Yes No

9. If your representation is seeking a modification/change to the Plan, do you consider it necessary to participate at the oral part of the Examination?

No, I do not wish to participate at the oral Examination

Yes, I wish to participate at the oral Examination

10. If you wish to participate at the oral part of the Examination, please outline why you consider this to be necessary:

(continue on a separate sheet/expand box if necessary)

Please note: the Inspector will determine the most appropriate procedure to hear those who have indicated that they wish to participate in the oral part of the Examination.
