

I (Name) Susanna Phillips of

(Address & Postcode) [Redacted]

as a local resident of Bushey, wish to make a representation fully supporting Hertsmere Council's SADM Plan and that it should include The Paddock, Elstree Road, Bushey (reference BH007) as a designated Local Green Space.

We agree with Hertsmere Council's inclusion of this site in their SADM Local Plan.

Additional comments (optional):

No more building work in Bushey!! It's meant to be a pretty village, leave our greenery alone. Too many people moving into Bushey & will affect the schools & doctors.
