I (Name) Alan JEREMY SWANMAN of

(Address & Postcode) 

as a local resident of Bushey, wish to make a representation fully supporting Hertsmere Council's SADM Plan and that it should include The Paddock, Eistree Road, Bushey (reference BH007) as a designated Local Green Space.

We agree with Hertsmere Council's inclusion of this site in their SADM Local Plan.

Additional comments (optional): More homes, more traffic with no consideration for widening the road (A199) and making it a danger to the environment
