I (Name)..... NOUHA LEWIS ..... of  
(Address & Postcode).....  .....

as a local resident of Bushey, wish to make a representation fully supporting Hertsmere Council's  
SADM Plan and that it should include The Paddock, Eistree Road, Bushey (reference BH007) as a  
designated Local Green Space.

We agree with Hertsmere Council's inclusion of this site in their SADM Local Plan.

Additional comments (optional):

Please leave our green spaces alone! I moved to  
Bushey because it was such a pretty area - but  
the whole feel of it has changed with more + more  
building + erosion of our spaces.
