<sup>1</sup> Each contribution figure is based on the average sales prices provided by the Land Registry for the most recent 36 months (to 31 December 2022). The average sales price figure is multiplied by 44% to calculate the standard financial contribution. For example, the average sale price of a detached property in Bushey Heath was £1,057,523.81. The standard financial contribution per detached house has been calculated as follows, £1,057,523.81 x 44% = £465,310 (rounded).
