Matters on which representations may be made

The purpose of the examination is to consider whether the Draft Charging Schedule meets the following statutory tests outlined in Question 1.

Representations must relate to these matters. Other matters may be outside the scope of the examination and will be subject to the Examiner's discretion.

All representations will be considered by the Examiner as written representations. In addition, any persons or organisations making representations have the right to be heard at the examination.

Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/ justify the representation and the suggested change, as there will not normally be a subsequent opportunity to make further representations based on the original representation at publication stage.
