Note.

We can only withhold information under the FOI or EIR if the information falls under one of the exemptions (FOI) or exceptions (EIR) set out in legislation. For certain pre-application issues the applicant would be advised to complete the commercially sensitive checklist that should set out the reasons why, and for how long, they feel any information relating to the case needs to remain confidential. However, whilst we will take account of these views, the final decision on whether the information should be withheld rests with the Council. Please note

Any advice given by Council officers for pre-application enquiries does not indicate any formal decision by the Council as the local planning authority. Any views or opinions expressed are given in good faith, and to the best of ability, without prejudice to the formal consideration of any planning application following statutory public consultation, the issues raised and evaluation of all available information.

You should therefore be aware that officers cannot give guarantees about the final formal decision that will be made on your planning or related applications. However, the advice note issued will be considered by the Council as a material consideration in the determination of the future planning related application(s), subject to the proviso that circumstances and information may change or come to light that could alter the position. It should be noted that the weight given to pre-application advice notes will decline overtime.
