Hello Owen

The councils online map that you are viewing is the most up to date version of the working Definitive Map (DM), the paper copies of the legal DM are nearly 7 years old. None of the paths you have mentioned have been changed since 1960, so both maps should match. The only difference is the lines a finer of the digital mapping.

No appointment is needed just ask at the front desk to see the DM and photos are allowed but not for commercial use.

County Hall has several Post Codes, you will need the front reception which faces Pegs Lane.

I hope this helps.

Regards

Brian

Good Morning Brian,

Thank you for the text message following my call with your colleagues this morning in the Countryside Access Team. Are you able to advise if it possible for a scan or high quality photo of the definitive map (reference "HCC 85") to be provided? Is this a service which is provided at an in person viewing of the definitive map (i.e. can I make my own copy for use as part of a planning appeal)?

In my review of the online information available I have identified the below with respect of Aldenham PRow 31, 32 and 34 and sheet "HCC 85" which are those subject to my query. The Definitive Statement ([here](#)) notes:

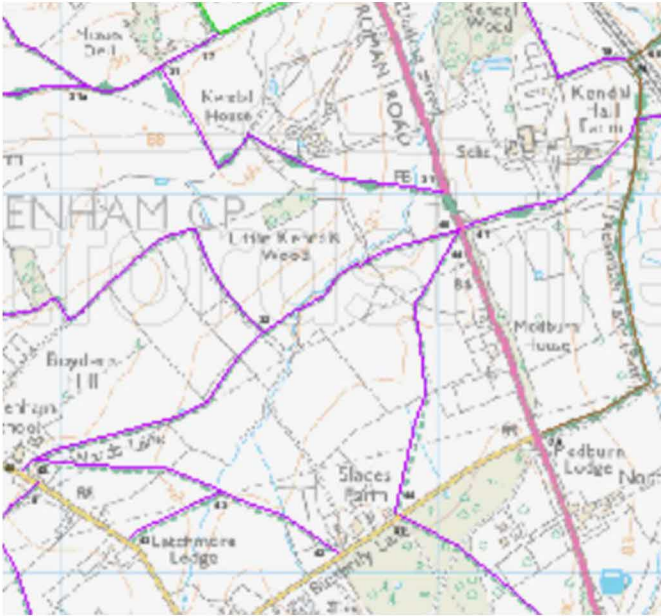

<b>031</b>	<b>FP</b>	<b>HCC 85</b>

<b>031a</b>	<b>FP</b>	<b>HCC 85</b>

<i>Width</i> Varies between 4-6 metres between TQ 1534 9806 and TQ 1531 9802, as shown in the Hertfordshire County Council (Aldenham 31a) Modification Order 2002		
<i>Limitations</i>

<b>032</b>	<b>FP</b>	<b>HCC 85</b>

While the Councils online GIS system ([here](#)) provides the below non-definitive overview:

Finally, can you confirm if an appointment (or similar) is required to view and copy the definitive map at the Councils office (County Hall, Pegs Lane, Hertford, SG13 8DQ)?

Thank you,
