Consultation Summary

Overall, there were 152 individual responses analysed as part of this consultation, the final results indicate 63% of those responding were in favour of the proposed scheme.

Support	96	63%
Oppose	56	37%

The significant majority of residents of the southern end of Bullhead Road (144 -224) opted to be excluded from the scheme and it has been agreed that that section of road will not be included. Residents in that area will be made aware that it is possible the excluded section could be affected by displaced parking.
