Decision that all objections be considered and the making of the Traffic Regulation Order be approved with slight amendments in response to residents' objections identified as items 6, 9 and 12 in Table 1 of Report EX/15/65.
In arriving at my decision I have properly and thoroughly taken into account the legal, financial and workforce implications for the Council. My decision is within the Council's policy and budget framework and complies with the regulations and procedures set out in the Constitution. I have explicitly considered the Council's corporate objectives in arriving at my decision. In coming to my decision I have consulted with all relevant parties as appropriate and in accordance with the scheme of delegation.
Reasons for Decision
The proposals reflect the Council's approach to parking management as set out in its Parking Management Strategy. The detailed reasons for overruling objections are set out in paragraph 3.1 of the officer report. The amendments made to the TRO are in response to residents' objections.
