

Don't dump large items in the bin store

We can't empty the bins if you block them!

Large household items are your responsibility. Take them to a Recycling Centre or contact your managing agent.

Tear up cardboard boxes so they fit inside the bin (not on the floor) or take larger items to a Recycling Centre.

Did you know?
Any rubbish/recycling left on the floor or on top of already full bins will not be collected. If this happens please contact your managing agent.

Your local Recycling Centre can be found at:

- Cranborne Road, Potters Bar
- Allum Lane, Elstree
- Waterdale, Watford
