

## Employment Land Call for Sites 2021 Site Questionnaire

Hertsmere Borough Council is currently identifying land available for potential future economic development over the next 15 years to inform the preparation of its new Local Plan.

To assist the Council in determining whether additional sites are potentially available, suitable, or achievable for economic development, please complete and return this questionnaire. All sites should be at least 0.25ha in size or capable of accommodating 500m<sup>2</sup> of floorspace and be for uses that support economic development, in the form of offices, industrial, storage and distribution and other employment activities which are currently defined in [Policy CS10 of our Core Strategy](#).

Completed questionnaires should be returned by email to [local.plan@hertsmere.gov.uk](mailto:local.plan@hertsmere.gov.uk). If you are sending large attachments, please either send the information in separate emails which do not exceed 10mb in size or if this is not possible, you should use our secure file transfer site. Details of this are available on request.

**Please use a separate form for (1) each site submitted and (2) each land use or proposal. You should also include a plan clearly identifying the site boundary in red. Further information is available in our FAQs.**

**Please note that information on sites considered through the land availability assessment process will be openly available to the public and the information submitted will NOT be treated as confidential.**

**Inclusion in and assessment through this process, including through any update of the Housing and Economic Land Availability Assessment (HELAA) does not guarantee planning permission for nor imply the designation or allocation of any site for development.**

## 7. ADDITIONAL INFORMATION

*a) What planning reports and other technical information is currently available to support your promotion of the site? (please attach all reports and surveys which are available)*

A site location plan is attached to this form for the SHELAA. We have also submitted to Hertsmere a call for sites form plus planning report in response to the call for housing sites. We are able to prepare additional, supporting information as and when necessary.

*b) Is there any other information regarding the site that we should be aware of? (if yes, please provide details)*

Yes

The London Borough of Enfield ('LBE') has aspirations to bring forward the site for development in the new Hertsmere Local Plan. The site has previously been promoted for residential / mixed-use development, and these conversations are on-going with Hertsmere planning officers. We have submitted the site under this employment call for sites process to demonstrate the potential flexibility of the site. LBE are also promoting land to the south of the M25, to the south-east of Junction 24 for employment uses. We consider it would be worthwhile to consider the sites in a holistic manner.
