Dear Mark

Consultation - Site Allocations and Development Management Policies Plan

Please find attached a copy of the Town Council's response to the SADM document.

A hard copy has been hand delivered to Hertsmere Borough Council today.

I also copy Town Councillors and the designated local plan email address.

I hope this is helpful.

Dear Mark

I wonder whether a polite request could be made, please? It is noted that the table of hard copy distribution for this (and the Elstree Corridor Plan) omits EBTC.

Given that the Town Council Offices are often the first port of call for residents wishing to inspect documents, some Members refer to view hard copies and the fact that this Authority has a great stake in the content of the reports (more so than for example Bushey Library or Aldenham Parish Council in relation to Elstree Corridor) it is felt that a request should be made to amend the table, please, to include EBTC Offices. For the purposes of opening time details these are

Monday - Thursday 9.00 —500 pm and Friday 9.00 to 4.00 pm

If the Town could, therefore, be included this would be most appreciated.

I am copying your email to all Town Councillors in order that any comments on the SADM Plan can be forwarded to me by 1 September 2015, consolidated and passed on to you by me in good time before the 14 September 2015 deadline.

Kind regards and may I take this opportunity to wish you and all the planning staff a pleasant Summer holiday period.
