

Site Allocations and Development Management Policies Plan for Submission

**Statement of Representations
made under Regulation 20 of the
Town and Country Planning (Local Planning)
(England) Regulations 2012.**

Preface

Hertsmere Borough Council's Site Allocations and Development Management Policies (SADM) Plan is being submitted to the Secretary of State for Examination.

Regulation 22 of the Town and Country Planning (Local Planning) Regulations 2012 ('the Regulations') sets out the documents which must be submitted with the proposed Plan.

These include, at 22(3),

(c) a statement setting out—

- i. which bodies and persons the local planning authority invited to make representations under regulation 18,
- ii. how those bodies and persons were invited to make representations under regulation 18,
- iii. a summary of the main issues raised by the representations made pursuant to regulation 18,
- iv. how any representations made pursuant to regulation 18 have been taken into account;
- v. if representations were made pursuant to regulation 20, the number of representations made and a summary of the main issues raised in those representations; and
- vi. if no representations were made in regulation 20, that no such representations were made;

This document is the Regulation 22(1) (v) Statement setting out the number of representations made under Regulation 20 and a summary of the main issues raised in those representations.

The information required in points i – iv is set out in the Council's Statement of Consultation. This is in two volumes:

- Volume 1: Call for Sites and Topics (April 2013)
- Volume 2: Consultation Draft (March 2014)

This Statement of Representations should be read in conjunction with the above Statement of Consultation.

1. Introduction

- 1.1 At its meeting on 8 July 2015, Hertsmere Borough Council resolved that the Submission Site Allocations and Development Management (SADM) Policies Plan “be approved for publication and submission to the Secretary of State for Communities and Local Government for public examination following a six week period in which representations may be made on the Plan.” It was also approved for interim use in the determination of all planning applications from the date of its publication, in accordance with paragraph 216 of the National Planning Policy Framework.
- 1.2 The Submission Site Allocations and Development Management Policies Plan (‘the Plan’) was published on 31 July 2015. The period for representations ran from Monday 3 August to Monday 14 September 2015 (5pm).

2. Notification and Publicity

2.1. Before submitting a local plan to the Secretary of State under section 20 of the Planning and Compulsory Purchase Act 2004(a), local authorities are required by Regulation 19 of the Town and Country Planning (Local Planning) Regulations 2012 ('the Regulations) to:

- a) make a copy of each of the proposed submission documents and a statement of the representations procedure available in accordance with regulation 35, and
- b) ensure that a statement of the representations procedure and a statement of the fact that the proposed submission documents are available for inspection and of the places and times at which they can be inspected, is sent to each of the general consultation bodies and each of the specific consultation bodies invited to make representations under regulation 18(1).

2.2. In accordance with Regulation 19(a) of the Regulations, the proposed submission documents and a statement of representations procedure were made available on the Council's website and at the Council's main offices in Borehamwood. A selection of hard copy documents, including the Plan and Policies Map, Sustainability Appraisal, Statement of Consultation, Equalities Impact Assessment, Notice of Publication, Statement of Representations Procedure and representation forms were also made available at the Council's local offices in Potters Bar and Bushey, Aldenham Parish Council's offices in Radlett, and local libraries in the same four towns, these being the main four settlements in the Borough. Members of the public also had on-line access to these and other supporting documents on the Council's website at the libraries and local Council offices. A copy of the statement of representations procedure is at Appendix A.

In accordance with Regulation 19(b) of the Regulations, letters and emails notifying consultees that the Plan was being published and that representations could be made were sent out on 31 July and 3 August 2015. A copy of the notification is at Appendix B. It included a statement of the representations procedure and a statement of the fact that the proposed submission documents were available for inspection and of the places and times at which they could be inspected.

2.3. In excess of 3100 notification letters and emails were sent out. Those notified included

- a) statutory consultees as set out in Regulation 2(1) of the Regulations;
- b) business, residents' and other organisations;
- c) neighbours adjoining proposals sites;
- d) individuals who had previously expressed a desire to be consulted on planning issues;
- e) all those who had made representations on the Consultation Draft version of the Plan during the 2014 consultation.

See Appendix C for further details of those notified.

2.4. The Council has therefore fulfilled the requirements relating to publication of a local plan as set out in Regulation 19 of Town and Country Planning (Local Planning) Regulations 2012.

2.5. Publicity about the opportunity to make representations prior to submission of the plan was also undertaken as follows:

- A Press release was issued in August (copy at Appendix E). This was also available on the Council's website. A scanned copy of a newspaper article which appeared in the press is at Appendix F;
- Twitter was used in order to reach those local people who follow the Council (example attached at Appendix G);
- The Council's Facebook page was also used in order to promote awareness of the opportunity to make representations (example attached at Appendix H);
- The council's e-alert system was used to reach those people registered for receiving planning news (see Appendix I).

3. Summary of Representations and Responses

Representations received

- 3.1. A total of 961¹ individual representations were received during the period for representations. Sixty of these representations were in the form of separate submissions. These representations are summarised in Table 1.
- 3.2. The representations summarised in Table 1 include two detailed representations in relation to one site (The Paddock, Bushey Heath), one supporting and one objecting to the Plan, attached respectively to which were 373 signed slips supporting and 528 objecting to the Plan. 29 of the signed slips supporting, and 8 of those objecting to the Plan also included individual comments (again in addition to the 60 individual representations referred to above). These representations are summarised in Table 2.
- 3.3. 3 additional representations were received late, after the close of the representations period.
- 3.4. Tables 1 and 2 summarise the representations received. 20 representors have indicated a desire to participate at the Examination hearing.

3.6. Eight 'General' bodies submitted representations. These were

Bushey Heath Residents' Association
Bushey Museum Property Trust
CPRE Herts
Elstree and Borehamwood Green Belt Society
Hertfordshire Gardens Trust
Herts and Middlesex Wildlife Trust
IBSA (Jehovah Witnesses)
Woodland Trust

3.7. 37 'Other' representations were received during the period for representations. Five of these were from organisations:

Ministry of Defence: Defence Infrastructure Organisation
Office of Rail and Road
Sport England
Transport for London (Borough Planning)
Transport for London (Consents Advisor)

3.8. 23 of the 'Other' representations were from developers or landowners (or consultants representing them):

AKT Planning and Architecture on behalf of Mr Donal McCarthy

Mr and Mrs Monk (owner/resident)
Mr McGuire (owner/resident)

In addition the following representations were received late:

Mr R Werth (owner/resident) (late)

Robert Young Associates on behalf of Mr R Werth (owner/resident) (late)

- 3.9. Nine of the 'Other' representations were from individuals (excluding 'The Paddock' representations accompanying the main submissions):

Mr John Cartledge

Mr Geoffrey Peters

Mr Keith Wheeler

Mr Robert Dunkley

Mrs Angela Passant

Mrs Patty Briggs

Mr D Allen and Mrs S Hanton

Mr Oliver Dowden MP

Cllr Carey Keates

In addition the following representation was received late:

Mr A Cooke (late)

- 3.10. Representations submitted raised a variety of issues, ranging from the overall direction and content of the Plan to the detail of specific policies and site based requirements. For the purposes of analysing the representations, those covered by Table 1 above have been broken down into separate comments addressing different aspects of the Plan and its policies. All those in Table 2 accompanied and/or relate to the main representations concerning the Paddock site in Bushey.
- 3.11. A total of 339 separate individual comments in the representations covered by Table 1 and received during the period for representations have been identified and grouped according to the relevant policy issue. 901 submissions accompanying the Paddock representations are identified in Table 2, making a total of 1240 comments altogether. Three covering letters/reports accompanying groups of individual representations were received (from Hertfordshire County Council, Environment Agency and Natural England) but are not counted as separate comments in this total as the issues raised are included in the total of 1240. A further six individual comments were raised by the three late representations.
- 3.12. A summary of each individual comment in all representations covered by both Table 1 and Table 2 above is available at Appendix J.

3.13. Table 3 sets out how many of these 1240 comments are objections, comments and support in respect of aspects of the Plan. Where the representor has not indicated the category into which their individual comments fall, judgement has been exercised.

Table 3: Total individual comments by type				
	Object	Comment	Support	Total

Table 2	528		373	901
Total	740	55	445	1240
Late	4 late	2 late		

3.14. Table 4 sets out how many objectors have specified a Duty to Cooperate issue.

Table 4: Objections on grounds of Duty to Cooperate		
Representor	Objection to	Response
Environment Agency	SADM18 evidence base	Statement of Common Ground is being agreed
Welwyn Hatfield Council	SADM5 Evidence in relation to Gypsy and Traveller transit provision	Statement of Common Ground is being agreed
Welwyn Hatfield Council	Arrangements for review of Plan and site allocations in relation to issue of unmet development needs from adjoining authorities.	Statement of Common Ground is being agreed

A separate Statement setting out how the Council has complied with the Duty to Co-operate in the preparation of SADM, has been prepared.

3.15. Table 5 sets out how many objectors have specified a Soundness issue.

Table 5: Objections on grounds of Soundness	
	Number objecting
Not sound	155 An additional 528 representations supported the Bushey Museum Property Trust submission which found the Plan unsound.
Not positively prepared	94
Not justified	123 An additional 528 representations supported the Bushey Museum Property Trust submission which ticked this box.
Not effective	120
Not consistent with national policy	125 An additional 528 representations supported the Bushey Museum Property Trust submission which ticked this box. An additional 2 representations ticked this box, but did not state that they considered the Plan to be unsound.

Overview of Issues raised

- 3.16. The following section provides an overview of the main issues and the Council's response.
- 3.17. Those issues which the Council considers to be the most significant are identified in the following paragraphs. Appendix J summarises the main issues/comments raised by all representors. The Council's response to each comment is also set out in Appendix J. The summary of the issues which follows should therefore be read in conjunction with the comment(s) and response(s) in Appendix J.
- 3.18. The Environment Agency (Representor 009) has raised questions about the existence of evidence in relation to how the Sequential and Exception tests had been applied to site allocations (Representations 009a, 009b) and Duty to Co-operate in relation to the capacity of water infrastructure to accommodate the growth being proposed in the Plan (Representation 009g, replaced by 009k). Evidence has now been provided to the EA's satisfaction, their objections withdrawn and revised representations submitted.
- 3.19. Hertfordshire County Council (Development Services) (Representor 026) has submitted objections to a number of aspects of the Plan. Resolution of issues raised in respect of HCC's concerns about Policy SADM24 *Village Envelopes* (Representations 026l-n) and SADM25 *Key Green Belt Sites* (Representations 026o-s) is being achieved through on-going discussion and some proposed minor changes to the Plan. Discussion is on-going in respect of HCC's objection to SADM1 *Housing Allocations* - site H6 *Hertswood Academy* (Representation 026a) and SADM43 *Town and District Centres* – site TC2 *Radlett Service Station/Regency House/Former Fire Station and Burrell & Co* (Representation 026z) and it is anticipated that these matters will also be resolved satisfactorily prior to any Examination hearing. HCC's objections to the requirement in SADM1 *Housing Allocations* – site H9 *former Sunny Bank School* and SADM33 *Key Community Facilities* – site C1 *former Sunny Bank School* for the retention of 1.4ha open space alongside development of the rest of the site for housing (Representations 026d-j), and to the Plan's approach to school place provision as set out in para 5.22 and SADM33 (v) *Key Community Facilities* (Representations 026b and 026t-v) remain; HCC has declined to negotiate in respect of the amount of open space to be required at the former Sunny Bank school, and does not accept Hertsmere's position with regard to school place provision - particularly with regard to primary places in Borehamwood. A Statement of Common Ground setting out the status of each of HCC's original objections is being produced.
- 3.20. Welwyn Hatfield Council's submission (Representor 030) considered that the Plan fails to identify a supply of sites for Gypsies and Travellers to meet the test of soundness (Representation 030a) and was concerned about soundness and Duty to Co-operate issues in relation to the Plan's position that there is no need for additional transit provision in Hertsmere (Representation 030b). It has also expressed a Duty to Co-operate concern about how Hertsmere will address the meeting of unmet development need from adjoining authorities, including Welwyn-Hatfield, through the process of reviewing the Core Strategy and site allocations (Representation 030d). These issues have been the subject of on-going discussion between the authorities and have now been resolved. A Statement of Common Ground is being prepared.

- 3.21. Representations promoting the allocation of five Green Belt sites for residential development have been submitted. These are at Starveacres, Radlett (Representations 019a-c), Blackhorse Lane, South Mimms (Representation 027b), Wilton End, Shenley (Representation 054a-c), Loom Lane, Radlett (Representation 055a), and land north of Barnet Lane, Borehamwood (Representation 056b). The current development strategy is contained in the adopted Core Strategy. The Core Strategy does not indicate any significant change to the Green Belt. The role of the Site Allocations DPD is to deliver the policies of the Core Strategy, including the housing target set therein, not to pre-empt the content of any future Local Plan. This is supported by several recent High Court judgements. As shown in Table 1 in SADM the Council has an adequate supply of housing against the Core Strategy target. The appropriate time to consider any possible additional allocations for development, including in areas currently within the Green Belt, is as part of the Core Strategy review – i.e. in the context of a reassessment of housing and employment development needs and the contribution that different parts of the Green Belt make to the Metropolitan Green Belt. Technical studies to inform the Core Strategy review are already under way. The Council does not therefore consider it appropriate to allocate these sites for development in SADM.
- 3.22. Adjustments to Key Green Belt Site (KGBS) Infill and Village Envelope boundaries have been requested. A request from KGBS Bio Products Ltd (Representation 045a) to adjust their infill boundary is considered appropriate in part and an adjustment has been agreed. A Statement of Common Ground (Document**) is submitted in relation to an agreed change to the Shenley Village Envelope (Representation 034a); however the request to include Blackhorse Road in the South Mimms Village Envelope (Representation 027a) is rejected for reasons set out in Appendix J. HCC's representations with regard to Village Envelopes at Elstree (Representation 026l) and South Mimms (Representation 026m) and its KGBS schools (Representations 026o-s) are referred to in para 3.19 above.
- 3.23. By far the largest response to the published Plan has been in respect of The Paddock site in Bushey Heath. A total of 376 representations (Representations 051a, 059a, 060a, 062a-434a) support the designation of the site as a Local Green Space under Policy SADM33 in the interests of retaining a green space which is valued locally and on the basis that designation is consistent with both Council and NPPF criteria. Contrary to this, 533 representations (Representations 004a, 032a, 033a, 052a, 057a, 437a-964a) plus one late (Representation 061a) have been submitted objecting to the designation largely on the grounds that it is not consistent with the Council and NPPF's criteria for Local Green Spaces, and the impact of the designation on the site's development potential and the implications of this for the owner Bushey Museum Property Trust's ability to generate funds to invest in the fabric, activities and long term future of Reveley Lodge and gardens. The Council remains of the view that the designation of the site as a Local Green Space is appropriate, which is now likely to be a matter for consideration at the Examination hearing.
- 3.24. The Council's responses include some suggestions for changes to the text or policies of SADM, and indeed the Policies Map. If through the public examination process the Inspector agrees, the Council is willing to make these changes in order to address the objections. Most changes are of a minor nature and some will be presented through Statements of Common Ground with objectors. If any changes are deemed by the Inspector to constitute 'Main Modifications' the Council would publish modifications following the hearing to allow for any further representations to be made.

4. Conclusion

- 4.1. This report fulfils Hertsmere Borough Council's responsibility under Regulation 22(1)(v) to provide a Statement setting out the number of representations made under Regulation 20 and a summary of the main issues raised in those representations.

HERTSMERE BOROUGH COUNCIL
SITE ALLOCATIONS AND DEVELOPMENT MANAGEMENT POLICIES PLAN
Statement of Representations Procedure
Regulation 19 Town and Country Planning (Local Planning) (England) Regulations 2012

Hertsmere Borough Council plan to submit the Site Allocations and Development Management Policies Plan ('the Plan') to the Secretary of State for Communities and Local Government. Before this, the Plan and supporting submission documents are being published to enable public representations to be made.

The Plan sets out detailed proposals and policies by which the Council sees the aims and objectives of the Core Strategy for Hertsmere, which was adopted in January 2013, being best achieved. It defines sites and designations for specific purposes and provides environmental criteria against which development proposals and planning applications can be judged. It covers the whole Borough of Hertsmere.

The 6 week period for representations runs from Monday 3rd August 2015 to Monday 14th September 2015. All comments must be received by 5pm on Monday 14th 2015.

Representations can be made by email or in writing. You are requested to submit comments electronically using the official representation form wherever possible. The representation form is available to download from the Site Allocations and Development Management Policies DPD page of the Council's website at www.hertsmere.gov.uk/sadm. Copies can also be obtained at the deposit points listed below.

Site Allocations and Development Management Policies Plan

Town and Country Planning (Local Planning) (England) Regulations 2012

I am writing to inform you of the publication of the Council's Site Allocations and Development Management Policies Plan (SADM for short) in accordance with the above regulations.

Publication of SADM follows the adoption of the Council's Core Strategy in 2013 which set out how future housing and other development needs will be accommodated over the next 15 years. The SADM Policies Plan proposes specific development sites and designations, along with detailed environmental criteria against which future planning applications across the borough will be considered. The SADM Policies Plan has also been approved for interim use in the determination of applications on or after the date of publication of the Plan (31st July 2015).

Publication of the SADM Policies Plan follows a public consultation in 2014 on a draft Plan and a series of changes have been made following careful consideration of the representations made. There will now be a six week period in which comments can be made on the published Plan ahead of a public examination which will be held by an independent Inspector. This period runs from **Monday 3 August 2015 until 5pm on Monday 14th September**. All representations received over the next six weeks will be considered by the Inspector and there will be a public hearing where interested parties may be invited to appear in person.

As well as contacting people who have requested to be notified on new planning documents, the Council is also notifying people who live or work near to some of the sites which are identified in the document, some of which may come forward for development in the future. Both the published Plan and a number of supporting documents can be viewed on the Council's website at www.hertsmere.gov.uk/sadm as well as at local libraries, the Civic Offices in Borehamwood and local area offices in Potters Bar and Bushey. Details of their opening times are set out below.

c) Neighbours adjoining proposals sites – in excess of 2300 addresses notified

A total of 2338 notifications were sent out by post to addresses close to each of the allocated sites.

Owner/Occupiers of properties adjoining Proposal Sites H1- H12, C1- C2 and TC1- TC2 referred to in Policies SADM1, SADM33 and SADM43 respectively were invited to submit representations.

SADM1 sites H1-H10, SADM33 (previously SADM29) site C2 and SADM43 (previously SADM36) sites TC1 and TC2 were included in the Consultation Draft version of the Plan (consulted on in March/April 2014). Maps showing the areas consulted under both Regulation 18 and Regulation 19 can be found in Appendix E of the Statement of Consultation Volume 2.

In addition to those neighbours consulted in March 2014 under Regulation 18, a number of additional addresses were notified at Regulation 19 stage due to the addition of two new housing allocations, and the additional notification of occupants and neighbours of Gypsy and Traveller sites allocated through the Plan. These were:

- SADM1 – Housing Allocations Site H11: additional 94 notification letters sent out
- SADM1 – Housing Allocations Site H12: additional 115 notification letters sent out
- SADM5 - Gypsy, Traveller and Travelling Show people Sites: additional 35 notification letters sent out

SADM33 – Key Community Facilities Site C1 (Former Sunny Bank School, Potters Bar): site is the same as SADM1 site H9 (Former Sunny Bank School, Potters Bar) so the neighbours consulted under Regulation 18 have been notified under Regulation 19. No additional addresses have been notified.

Maps showing the additional notified neighbours are included at Appendix D.

Addresses adjoining the following sites, who were consulted under Regulation 18, were not notified of the publication of the Plan under Regulation 19 because the sites have been removed from the Plan following the 2014 consultation:

- Former SADM1 – Housing Allocations Site H11 Potters Bar Bus Garage: 134 addresses
- Former SADM29 – Key Community Facilities Site C1 Watford Depot: 123 addresses

Those who had made comments on these proposals at Consultation Draft stage were, however, notified of the publication of the Plan (see d) below).

d) Other individual consultees – in excess of 550 individuals notified

Individuals on the Planning Policy database for consultation. This includes individuals who had commented on former proposals SADM1- Site H11 and SADM29 – Site C1 in the Consultation Draft.

Final chance to comment on borough's development plan

Last Modified October 15, 2015

[Share this page](#)

The council has published its plan which identifies development sites across the borough and includes details of policies to guide future planning decisions.

There's another chance for the public to comment on it before it is considered at a public examination by an independent inspector.

The Site Allocations and Development Management Policies Plan (SADM) has been published following the adoption of the council's Core Strategy in 2013. It proposes specific development sites and designations, along with detailed criteria against which planning applications across the borough will be considered.

The publication of the SADM follows an extensive public consultation in 2014, which included a number of drop-in sessions across the borough, and a series of changes have been made following careful consideration of the comments we received. Further comments on the revised plan can now be made ahead of a public examination.

Cllr Harvey Cohen, Portfolio Holder for Planning and Localism, said: "This plan is critical in shaping our approaches to development in the borough in the coming years and we've already received a significant number of comments during the consultation process which were considered as we finalised the publication. However, there's a further chance to comment now before the plan goes for public examination."

The comments need to be received by us before 5pm on Monday 14 September and all representations that we receive will be considered by the Inspector. Interested parties may be invited to appear in person at the public hearing.

Representations can be made by email or in writing, using the official representation form wherever possible.

You can view the plan and find the representation form, which is available to download, from our [Site Allocations and Development Management Policies Plan](#) page.

Copies can also be obtained at the locations listed below.

Final chance to comment on controversial housing plans

Proposals to build more than 4,000 homes

By Carly Minsky

THE public have a final chance to comment on housing and development proposals that could change the face of Hertsmere over the next 15 years.

Controversial development plans were criticised in 2013 for taking advantage of a legal loophole which allows affordable housing to be built on green belt land.

The proposals were revised after consultation with residents, and are now published in the Site Allocations and Development Management Policies Plan (SADM).

The plan aims to reach a total of 4,465 new homes across the borough by 2027, with

over half of these already built or granted permission.

Councillor Harvey Cohen, portfolio holder for planning and localism, said: "This plan is critical in shaping our approaches to development in the borough.

"There's a further chance to comment now before the plan goes for public examination."

The proposals attempt to balance the borough's housing and economic needs with social welfare and protection of the environment.

However, neighbours were dismayed when the council approved plans in 2013 to build two social housing flats by Shenleybury Villas.

The plans required knocking down seven trees and

using parts of two front gardens for the new builds.

Twelve other sites are designated for development, including Gas Holders site, Station Road, Borehamwood; land to the south of Elstree and Borehamwood station; and the former swimming pool at First Place Nurseries, Falconer Road, Bushey.

One project will see 82 properties built at Rossway Drive, Bushey, where careful consideration needs to be paid to the protection of green belt land and the Grade II listed Tyler's Farmhouse.

The biggest development will build 276 flats and houses at Hertswood Upper School, Thrift Farm Lane, Borehamwood.

This would involve the re-

location of Hertswood Upper School, fields, the Hertswood Centre, and The Ark Theatre to the Hertswood Lower School site.

The SADM document can be read online or obtained from council and civic offices across the borough.

Comments must be received by 5pm on September 14, by email to local.plan@hertsmere.gov.uk or letter to Policy & Transport Team, Planning and Building Control, Hertsmere Borough Council, Civic Offices, Elstree Way, Borehamwood, Hertfordshire WD6 1WA.

Site Allocations and Development Management Policies Plan

Town and Country Planning (Local Planning) (England) Regulations 2012

I am writing to inform you of the publication of the council's Site Allocations and Development Management Policies Plan (SADM for short) in accordance with the above regulations.

Publication of SADM follows the adoption of the council's Core Strategy in 2013 which sets out how future housing and other development needs will be accommodated over the next 15 years. The SADM Policies Plan proposes specific development sites and designations, along with detailed environmental criteria against which future planning applications across the borough will be considered. The SADM Policies Plan has also been approved for interim use in the determination of applications on or after the date of publication of the Plan (31 July 2015).

Publication of the SADM Policies Plan follows a public consultation in 2014 on a draft Plan and a series of changes have been made following careful consideration of the representations made. There will now be a six week period in which comments can be made on the published Plan ahead of a public examination which will be held by an independent Inspector. This period runs from **Monday 3 August 2015 until 5pm on Monday 14 September**. All representations received over the next six weeks will be considered by the Inspector and there will be a public hearing where interested parties may be invited to appear in person.

As well as contacting people who have requested to be notified on new planning documents, we are also notifying people who live or work near to some of the sites which are identified in the document, some of which may come forward for development in the future. Both the published Plan and a number of supporting documents can be viewed on our website at www.hertsmere.gov.uk/sadm as well as at local libraries, the Civic Offices in Borehamwood and local area offices in Potters Bar and Bushey. Details of their opening times are set out at the bottom of this message.

Representations on the published Plan should be made at www.hertsmere.gov.uk/localplan

using a downloadable response form.

Please email responses to local.plan@hertsmere.gov.uk.

Please do not reply directly to this email.

Alternatively, the completed form can be posted to:

Policy and Transport team, Hertsmere Borough Council, Civic Offices, Elstree Way, Borehamwood, Herts WD6 1WA

The six week period in which representations may be made on the SADM Policies Plan ends at **5pm on Monday 14 September 2015** and it is important that all submissions are received by this date.

Regards,

Mark Silverman

Policy and Transport Manager
